All sales and assets are in India. The Company has no single measure customers during the reporting periods.</p> <p>7 The Unaudited Statement of Cash Flows has been prepared under the indirect method as set out in Ind AS 7 - Statement of Cash Flows</p> <p>Regarding Auditor's observation:</p> <p>8 The Net Liabilities of the Company exceed its assets by Rs. 982.21 Lakhs. Considering the business plans made by the Company, orders of hand, reorganization of product mix and with continued support from the bankers and the Holding Company, the Company expects to recover from the losses. According to the Company, considering all the facts, including renewal of bank working capital limits, sale/disposal of the inventories on hand and the company's decision to take back on lease a part of the land and factory building thereon for continuing business activities, the assumption of Going concern is not vitated even though the net worth is eroded.</p> <p>9 In view of the statewide lockdown announced by the Government of Karnataka to control the spread of COVID-19, the company's business operations were temporarily disrupted during the quarter. Significant decline in economic activity of the whole nation and disruption created across the business, have affected the operations of the company and financial results for the quarter and half year as well. The impact thereof would evolve around the development taking place in the forthcoming months.</p> <p>While the operations of the company for the current quarter have improved, the level of operations are yet comparable with those of the corresponding period in previous year. In assessing the recoverability of the carrying amount of all its assets, the company has considered internal and external information upto the date of approval of these financial results while arriving at the realisable value. Given the uncertainties associated with the nature and duration of this pandemic, the actuals may differ from estimates considered in these financial results and the Company will continue to closely monitor any material changes to future economic conditions and respond accordingly.</p> <p>10 Regarding Applicability of Ind AS-116 Leases Ind AS-116 - Leases is effective from 1st April 2019 onwards. Therefore liability to Minimum Alternate Tax U/s 115JB does not arise. Further, in view of the brought forward losses available for set off against current year income, the company does not anticipate any tax liability on its income for the year.</p> <p>12 In view of brought forward losses, Income Tax liability on profits for the quarter does not arise. Further, the Company has got net deferred tax assets in the form of unabsorbed losses and depreciation. However, the same is not recognized in the absence of reasonable certainty in future profits.</p> <p>13 Previous period figures have been regrouped wherever necessary to confirm with current period presentation.</p>
