

BRD FOR
Module Name - Employee

Project Information

Client:
Revalsys

Project:
RevalERP

Title of the BRD

Employee Module changes - provide clear option for Date of Leaving

Purpose / Objective

provide clear option for Date of Leaving

Impact Analysis - BRD

We are now providing clear option for Date of Leaving, which allows user to empty the details if not required. As user is unable to clear the entered value in Date Of Leaving due to restri entered value.
